

From: "Richard Taylor" <rgtaylor@richardtaylorchemistry.co.uk>  
Subject: Committee meeting minutes Oct 2020  
Date: 01 November 2020 15:01

Dear All,

Please find a copy of the resent DCRA committee meeting held on 20th October 2020 via zoom.

We have decided to cancel the remaining meeting planned for December as well as the one we would have had in January and decided to have an Emergency General Meeting  
On 8th March 2021.

Minutes from DCRA Committee meeting held via Zoom on 20/10/20.

Present

Richard Taylor

Margaret McMillan

Val Caple

Bob Griffiths

The decision was made to Abandon the December and January meetings and have an Emergency Annual General Meeting on the 8th March 2021, 14:00 at the Dow Nature Centre. If this is still not possible face to face then we will organise a virtual meeting via Zoom.

Because we have been unable to fill committee vacancies over the past year then it was decided there will be one Agenda Item:-

1. Does the DCRA membership want to continue with the society?

Votes can be in person at the meeting, via email or by post. If the outcome of this vote is Yes, then it will require the membership to step up and take an active part in the running of the association.

If the outcome is No, then the association will be dissolved.

\* The News Letter will still go ahead this year but Val will need contributions from the membership. Please send them to rgtaylo1@gmail.com<mailto:rgtaylo1@gmail.com> .

\* An updated copy of the constitution is attached to these minutes.

\* A copy of the accounts for the year 2019 and a copy of the accounts up to September 2020 are also attached.

Richard
