**Subject:** Reminder of forthcoming EGM

I am no longer secretary to the association but in the absence of a secretary should remind members of the forthcoming *Extraordinary General Meeting* on 6th November at 14:00 hours.

It is hoped the following can be agreed:

- Appoint a secretary
- Appoint a trip organiser
- Appoint two additional general committee members
- Possibility of change of wording to (section 12 - Officers) of the constitution

Using the words of the current committee as shown above, 'The position of secretary shall continue. If no-one agrees to fill this vacancy on 6th November the association shall elect a secretary.'

*Very best regards,*
