

Dear Friends,

We should have gathered at Dyffryn Gardens for our Annual General Meeting this month but as you all know this did not happen due to the Coronavirus Lockdown that we find ourselves in.

I am hoping that you are all keeping well and avoiding contact with this unwanted virus that is disrupting our lives at present.

The committee will meet and organise an AGM, talks and outings for you as soon as it is possible.

Subscriptions have been frozen until further notice. Three members of our committee have retired including the Treasurer and Membership Secretary. If anyone would like to put their names forward to help us on the committee we would love to hear from you.

I understand from the staff at Dyffryn Gardens that the gardens are looking splendid at present, I am looking forward to be able to visit once again.

The Glamorgan Voluntary Services in Barry have invited us to inform them how we are spending our time during lockdown. If you would like to take part in this, please email enquiries@gvs.wales or contact GVS, Barry Community Enterprise Centre, Skomer Road, Barry CF62 9DA – Tel. 01446 741 706.

On behalf of the committee I would like to say
Very Best Wishes until we meet again.

Barbara Hodges

Hon.Sec.,

The Friends of Dyffryn Gardens Society.
