**The University of Oxford Botanic Garden**

Oxford Botanic Garden is the UK's oldest botanic garden, founded in 1621. Situated in the heart of Oxford, this historic garden is an oasis of green in the city centre. Indeed it is one of the most compact yet diverse collections of plants in the world. On arrival we will be taken on a guided tour of the gardens. Things to look out for include the family beds in the formal walled garden; exotic, tropical and carnivorous plants in the glasshouses; and the lush herbaceous borders of the informal lower garden. For more information visit their website

Visitors are very welcome to bring a picnic with them and there are many benches to use. There is a pop-up café during the summer months that sells hot and cold drinks and snacks by the riverside. In the afternoon you will be free to come and go as you please, so maybe visit a Museum, the Castle, or one of the College gardens.

The coach will leave Dyffryn at 8.00 am. and we should be back at Dyffryn by 7.30 pm., depending on the traffic. To reserve your place please fill in the form below and return it, with a stamped addressed envelope & payment, by Tuesday 5th June, to :-
